

### 1) Eligibility

- The PhD student concerned must be registered at Nantes Université, IMT Atlantique or Université Gustave Eiffel in the Graduate School Matter, Molecules, Materials and Geosciences (3MG).
- Mobility grants can be awarded **for the following participations:**
  - Training schools (summer/winter schools...)
  - Training courses **in a foreign university**
  - Current or future scientific collaborations **with a foreign laboratory**
  - Immersion training **in a foreign laboratory**
- Travel to the partner laboratory is **not eligible for a thesis in co-supervision.**

### 2) Financial support

- **A maximum grant** is offered depending of the destination:
  - €350 in France
  - €500 in Europe (including UK)
  - €800 outside Europe
- **A co-funding from the home research unit or the host institution is recommended**, but not mandatory.
- The same PhD student cannot benefit from more than one support during the year.
- Funding is not guaranteed and will depend on available budget. A PhD student who has already benefited from a support in the past will not be priority.

### 3) Calendar

- The **mobility must be carried out before December 31, 2025.**
- Applications will be **reviewed by the operational committee of the Graduate School.** In order to be presented to the committee, **applications must be submitted by the following dates:**
  - **March 21**
  - **May 12**
  - **June 25**
  - An additional slot could be proposed depending of the available budget
- The applicant and the research unit will receive a response **within 10 days after the dates mentioned above.**

### 4) Payment of the grant

- The grant can be paid to the home research unit or directly to the PhD student, depending of the financial plan.
- To trigger the payment, **the following documents must be presented:**
  - Copy of transport tickets

# Regulation

## 3MG PhD mobility grants

Projet soutenu par l'Agence nationale de la Recherche au titre du programme d'Investissements d'Avenir

ANR-20-SFRI-0014

- For scientific collaborations or immersion training: letter of invitation OR certificate of attendance signed by the host institution
- For training schools or training courses: certificate of registration OR certificate of attendance signed by the host institution
- At the end of the stay, **applicants will have to send a short report describing the benefits of the mobility (1 page max).**

### 5) Application

- **The application file available on the website of the Graduate School 3MG** must be completed and signed by the PhD student, the thesis director and the director of the research unit.
- **The document** has to be sent to [valentin.peden@univ-nantes.fr](mailto:valentin.peden@univ-nantes.fr).
